Hi All,

Looking forward to this next week. As an FYI, I don't believe Downtown Donuts (new Donut shop also in Spring Arcade) has had their ribbon cutting yet, and it may be fun and practical to do both these events in one afternoon. I believe they have someone from their team working with you on their ribbon cutting, but just wanted to suggest doing both next Weds in case the proximity factor slipped by.

Hi All,

The Historic Core's newest French concept store / cafe / wine bar, Garcons de Cafe is opening this Friday in the Spring Arcade. The French owners Thomas and Sofian have operated their online store while living in the Historic Core for years and are excited to manifest their passion and culture in this first retail location.

We'd love to arrange a ribbon cutting ceremony with the Councilmember. Please let us know an available date and we will coordinate with the owners.

Thank you,

Noah
